Mayor Julius Jones on New Business:

- Reading of North Town Ordinance 2020-02 requiring face coverings and matters related thereto.
  - Councilmember Washington asked if the stores know about the ordinance. Chief responded that some were already aware and that flyers had already been prepared in leu of the ordinance passing, they just needed to be printed.
  - Councilmember Washington further requested that the Police sign be provided to announce the mask ordinance. Chief informed that the sign did not belong to us, that we are unable to program it accordingly and the individual who allows usage and does programing in on vacation out of state. That being the reason we didn't already have it out for the 4<sup>th</sup> of July.
  - Councilmember Jackson asked if the programmer had to be near the sign to set it up. Chief stated that there was a computer that attached to the sign that programed it.
  - Councilmember Washington asked if the programmer was available by Monday (7/6/2020) because he felt it necessary that the sign be put out.
  - There was an open discussion on how this ordinance may affect the businesses, being that there is open communications between the business owners/managers with the Police Department, most were made aware that the ordinance was being brought up and there was little to no negative feedback.
- Mayor Jones requested a motion to pass the Emergency Ordinance 2020-02 requiring face coverings in certain situations thereto.
  - Councilmember Washington made a motion to pass the Emergency Ordinance 2020-02.
  - Councilmember Jackson seconded the motion.
